

Special offer for CEOs

Be coached on one important issue, to help you reach greater fulfilment in your responsibilities & in your Life
Offer of one free coaching-session

I am coaching a growing number of CEOs / Managing Directors, and I have found out that we often focus on the same fundamental questions -that no one else than a Coach can effectively work-out with them-:

- ☞ Am I inspiring my teams to deliver top-performance? ✓
- ☞ What are the effects of my leadership style on the company -short & long-term-? ✓
- ☞ Am I out of touch with part of the reality in my company? ✓
- ☞ What messages do my actions send to my employees/customers/shareholders? ✓
- ☞ Does the way I am investing my time at work provide the greatest returns? ✓
- ☞ Am I tackling the tough issues effectively? ✓
- ☞ What greatness could I achieve if I focused on it? ✓
- ☞ What is the unique value I am bringing to the business? ✓
- ☞ Am I running my business or is it running me? ✓
- ☞ What am I afraid of, career-wise? ✓
- ☞ What exactly is my underlying purpose in Life? ✓
- ☞ Which ones of my needs are not being met in my business / personal lives? ✓
- ☞ Am I offering my partner/children what they need from me? ✓
- ☞ Would I do anything differently if I knew I had only one year to live? ✓

Working on such questions helps my CEO-Clients gain awareness, make some needed decisions, take their leadership to the next level and strike a healthier work-life balance.

I would be glad to offer you one hour of coaching (free-of-charge) on one of these questions or any other important issue you would like to discuss, in confidentiality.

Beyond helping you, my interest is to advertise in Thailand the effectiveness of coaching in supporting senior executives to reach greater fulfilment in their responsibilities and in their lives.

I will not ask you to pursue our relationship beyond our first confidential encounter, as coaching should not be 'pushed', but rather be "called-for" by potential Clients.

It is quite "lonely" at the top of a company. I do hope you will accept my offer of one moment of inspiring companionship. You are most welcome to call me at 08 799 60 679.
